BLUE LINE

MD83 Executive Class airliner

Paris-based VIP charter specialist Blue Line has unveiled its MD83 Executive airliner. The unique and flexible configuration allows for a high level of privacy, discretion and ultimate comfort. The forward part of the cabin is fitted with six fully reclining seats and stateroom high-low tables convertible to flat beds. The mid section of the Executive airliner is outfitted with a business first double-club seating arrangement for eight guests, with tables. The completely privatized section offers multiple large sized wardrobes. The aft section of the aircraft is a full Business First class seating area, fitted with 150° reclining seats, leg and foot rests with an accommodating 58 inches pitch. Blue Line Executive airliner offers a unique range of services for Luxury travel tours, entertainment and Rock'n'Roll tours, first league sports teams and more...
